**RE: Docket # W-03067A-12-0232 Beaver Dam Water Company Requested Water Rate Increase**  
**ASSOCIATION MEMBER RESPONSE: Joanne and Bob Wilson**

Dear Commissioners,

The contracted parties in the aforementioned case is between **Beaver Dam Water Company** and **Beaver Dam Property Owners Association**. Since **Beaver Dam Owners Association** is an Owners' Association, every one of the 189 members of the Association have an equal say, vote and share within the Association. I have received feedback from the above Member/Property Owner in the **Beaver Dam Property Owners Association** regarding the proposed Water Rate Increase. We ask that you enter this Member Response into your official record for review and consideration of the Commission.

Thank you for your time and effort in consideration of this comment.

As Directed By The *Board of Directors*,

  
Tiffany Olson, Community Association Manager

Comments regarding Frisby's water raise:

Many of us are away for 6 months and use no water during that time.

He cannot compare our park payments with other parks, even if a similar size.

We put in our own well, at our own expense, to water the lawns to keep the purchased water expense down.
